Jim-

I'm not sure if the [REDACTED] scheduled for trial on Monday, June 13<sup>th</sup> has pled out yet or not, but I wanted to let you know that, if you need me to testify, to please call me on my cell instead of the lab phone number as I have a doctor's appt. at 9:00am that morning (it shouldn't take more than an hour). The appt. is in Northampton, so I will actually be closer to Springfield than if I was leaving from work if you call before 10, so getting there in a timely matter should not be a problem. I will be heading back to work afterward, so if you call after 10, I will probably need an hour or so to get down there. Thanks.

Sonja—

The new date for trial will be 6/14. This one might plead out. I'll keep you posted.

I just got a summons for 6/23/11 in Pittsfield (a drug and gun case), so that day probably isn't good anymore. I hope it's not too late.

Jim-

The only dates in those four weeks that I already have a trial scheduled for (that are not in Springfield District) are 7/12 and 7/19. The dates that I already have something scheduled in Springfield are 6/14, 6/15 (I already have 3 other district cases in Springfield that day), 6/22, 6/23, and 7/11. Hope this helps.

Hi Sonja:

Would you please forward some available June dates (weeks of 6/13 and 6/20 and weeks of 7/11 and 7/18)?

Thanks,  
Jim

Hi Jim-

I received your summons for the [REDACTED] case scheduled for trial on May 16th, 2011 and, unfortunately, have to inform you that I may not be available as I have a case in Brockton District Court that day (it is a 2004 case that was granted a new trial due to Melendez-Diaz). I know that it is still a ways off and that things may change, but I thought I should inform you about it sooner rather than later. I will keep you posted if I hear anything about it. Sorry.

Jim-

I wanted to let you know that I received your summons for the [REDACTED] case scheduled for trial on March 23, 2011 and that I should be available as I don't not have any other cases on that day. I do have a Superior Court case scheduled for March 22 in Fall River, and I'll let the ADA there know that I have a case scheduled for the 23<sup>rd</sup> and that it would be important for him to get me on the stand on the 22<sup>nd</sup> and not wait until the 23<sup>rd</sup>. Thanks.
